Upgrading an Existing Account

To upgrade an existing OreDigital account, log in and choose a paid plan from our [Plans & Pricing](#). Your subscription resets so a new billing cycle starts when you upgrade, and we'll subtract any amount you already paid for the remaining days in your current plan from the cost of the upgrade. You may need to [contact us](#) to upgrade if you pay by invoice, you're upgrading to a team plan, or you need to change your payment method.
